

Annual Subscription Form The OASIS Improvement Package *Minnesota Campaign for Home Care Excellence*

The OASIS Improvement Package

Minnesota's OASIS Improvement Package has been designed to be the centerpiece for the state's campaign to improve every agency's Home Health Compare quality scores, case mix weight and revenue appropriateness.

The OASIS Improvement Package is a year-long program designed to train, track, and test every clinician in the state. The package includes three services:

- OASIS Training
- OASIS Tracking
- OASIS Testing
